Since we do not hedge currency exposure, the main difference in performance between the currency share classes is the relative currency movements in the year. The relative performance between share classes is therefore similar and shows that the Fund outperformed the MSCI World Index in 2019. All of the classes have also significantly outperformed their benchmark since their dates of inception.

You have already received our Annual Letter, which is also available on the website. If you want more details on performance, we encourage you to read it.

As you have been informed, we have converted the Fund into a stand-alone equity fund and renamed it Fundsmith Equity Fund SICAV. At the same time a Luxembourg management company was appointed who perform management, administration and marketing functions. Please take note that the management and distribution of the Fund has not changed and we are happy to confirm that we are conducting business as usual.

DIRECTORS' REPORT (continued)

The Covid-19 epidemic has resulted in difficult conditions in financial markets since the middle of February 2020. The short term impact is changing by the minute as governments introduce emergency measures, restrict business activities and implement rescue packages. Markets are reacting to these changes in, at times, a volatile way and we have seen a significant increase in volatility.

The crisis is impacting the Fundsmith Equity Fund SICAV as well, however, the portfolio has shown some resilience to date. Year to date (25 March) the Fund is down 20.9% versus 28.9% for the MSCI World. Year to date net inflows to the fund were 112million EUR. This includes a net outflow of 36million EUR in March 2020. Our operations have proven to be robust, and adapted well in these very testing circumstances. In spite of unusually large volumes of transactions and addressing various investor queries, we have processed all deals and payment obligations on time. We are continuously monitoring the situation and working closely with all of our partners to ensure the Fund can operate without disruption.

The long term effect is harder to assess, but we remain confident in the investment strategy and the portfolio.

GOVERNANCE REPORT

In view of the recent changes in the organisation, increased fund-size and focus on substance, the Board has agreed to appoint another independent non-executive Director in the person of Mrs Sheenagh Gordon-Hart. Her appointment has been approved by the Luxembourg Regulator and we will seek your approval at the 2020 AGM.

At the end of the reporting period, the Board of Directors of the Fund (the "board") consisted of 3 members, including one independent Luxembourg resident Director who usually acts as the meeting's Chairman. The independent Director is remunerated, while the other two are not. Details of the remuneration can be found in the financial statements. At the close of the financial year, all Directors, except the independent Director, held shares in the Fund.

The board met four times physically in Luxembourg in March, June, October and December. On the Agenda, amongst others, were strategy, performance, operations, risk management and compliance and generally matters regarding good conduct and governance. In terms of governance the board confirms that it continues to aim for the best possible standards as evidenced by its continued adherence to the ALFI Code of Conduct. During the first quarter a lot of attention was given to the restructuring of the Fund, due diligence on new service providers and a smooth transition. We are happy to confirm that the transition was seamless.

The board is well informed through reports and updates from the various parties. Service providers are invited to each of the board meetings to update the board on administration, custody and transfer agency.

During the latter part of the year the role of MLRO (Money Laundering Reporting Officer) was transferred to the management company. The Board's role on anti money laundering and counter terrorist financing (AML/CTF) is now one concentrated on oversight. Neither the MLRO nor the Complaints Handling Officer have noted anything out of the ordinary during the course of the reporting year. During the third quarter, a complaint was brought to the Board's attention concerning the administrative handling of a change in address. This was dealt with satisfactorily including an apology for the time it took to complete the formalities. The regulatory environment continues to tighten. Issues relating to AML/CTF require service providers to perform more checks as we do seek to comply in an efficient manner.

The members of the Board of Directors of the Fund thank you for your continued support and continue to strive to provide you with the best possible services.

Independent Auditor's Report

Opinion

We have audited the financial statements of Fundsmith Equity Fund SICAV (formerly named "Fundsmith Equity Fund Feeder") (the "SICAV"), which comprise the statement of net assets and the statement of investments and other net assets as at 31 December 2019 and the statement of operations and changes in net assets for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the SICAV as at 31 December 2019, and of the results of its operations and changes in its net assets for the year then ended in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the financial statements.

Basis for Opinion

We conducted our audit in accordance with the Law of 23 July 2016 on the audit profession (Law of 23 July 2016) and with International Standards on Auditing (ISAs) as adopted for Luxembourg by the Commission de Surveillance du Secteur Financier (CSSF). Our responsibilities under the Law of 23 July 2016 and ISAs as adopted for Luxembourg by the CSSF are further described in the "Responsibilities of the Réviseur d'Entreprises Agréé for the Audit of the Financial Statements" section of our report. We are also independent of the SICAV in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) as adopted for Luxembourg by the CSSF together with the ethical requirements that are relevant to our audit of the financial statements, and have fulfilled our other ethical responsibilities under those ethical requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Deloitte.

Other information

The Board of Directors of the SICAV is responsible for the other information. The other information comprises the information stated in the annual report but does not include the financial statements and our report of the *Réviseur d'Entreprises Agréé* thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report this fact. We have nothing to report in this regard.

Responsibilities of the Board of Directors of the SICAV for the Financial Statements

The Board of Directors of the SICAV is responsible for the preparation and fair presentation of the financial statements in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the financial statements, and for such internal control as the Board of Directors of the SICAV determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of the *Réviseur d'Entreprises Agréé* for the Audit of the Financial Statements

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a report of the *Réviseur d'Entreprises Agréé* that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Law dated 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Deloitte.

As part of an audit in accordance with the Law dated 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the SICAV's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors of the SICAV.
- Conclude on the appropriateness of the Board of Directors of the SICAV's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the SICAV's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report of the *Réviseur d'Entreprises Agréé* to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our report of the *Réviseur d'Entreprises Agréé*. However, future events or conditions may cause the SICAV to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Deloitte.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. GENERAL INFORMATION

Fundsmith Equity Fund SICAV (formerly named "Fundsmith Equity Fund Feeder") is an open-ended investment company incorporated under the laws of Luxembourg as a *Société d'Investissement à Capital Variable* in accordance with the provisions of Part I of the amended Law relating to Undertakings for Collective Investment of 17 December 2010 ("UCI Law"). The SICAV was incorporated for an unlimited period on 28 October 2011. The Articles of Incorporation were published in the *Mémorial C* on 14 November 2011. The SICAV changed its name to Fundsmith Equity Fund SICAV on 29 March 2019 and the Articles were amended on 22 March 2019. The SICAV is registered with the Luxembourg Trade and Companies Register under number B164404.

The investment objective of the SICAV is to achieve long term growth in value. The SICAV will invest in equities on a global basis. The Board of Directors of the SICAV may also disclose certain contingent assets and liabilities at the date of the financial statements which can affect income and expenses during the reported years. Actual results could differ from those estimates.

3. TAXE D'ABONNEMENT

Under current Law and practice, the SICAV is not liable to any Luxembourg tax on profits or income.

APPENDIX I - REMUNERATION POLICY (unaudited)

As described on note 1, on 29 March 2019 Fundsmith Equity Fund SICAV appointed FundRock Management Company S.A. to serve as its new management company. Until that date, Fundsmith LLP was the management company. Below you can find the remuneration policy disclosure of both entities:

Fundsmith LLP

We are required to make this remuneration disclosure to the Fund's investors in accordance with the Undertakings for Collective Investment in Transferable Securities (UCITS) Directive as amended by Directive 2014/91/EU (UCITS V Directive).

During the year ending 31 March 2019, Fundsmith LLP ('Fundsmith') had 26 members of personnel in total, including employees and Partners. The total amount of remuneration paid to Fundsmith personnel during this period was £34,106,798. Out of this figure, the total amount of remuneration paid to the Partners of Fundsmith LLP was £26,387,125 whilst the total amount of remuneration paid to the employees of Fundsmith LLP was £7,719,673.

Of the £7,719,673 paid to Fundsmith employees, £5,290,012 was variable remuneration and £2,429,661 was fixed remuneration.

The partners of Fundsmith LLP are not paid a bonus. All of their remuneration is fixed as it is based on a fixed proportion of Fundsmith LLP's net profits.

Overall, therefore, of the £34,106,798 of total remuneration, £28,816,786 was fixed remuneration and £5,290,012 was variable remuneration.

The financial year of Fundsmith Equity Fund SICAV (FEFS) runs from 1 January to 31 December, whereas the financial year of Fundsmith LLP runs from 1 April to 31 March. The above figures are taken from the financial report and accounts of Fundsmith LLP for the period 1 April 2018 to 31 March 2019. These figures have been independently audited and filed with Companies House

The rules require us to disclose both the amount of remuneration paid in total, and the amount paid to "Identified Staff" (broadly, senior management and/or risk takers). Fundsmith's only Identified Staff are the Partners. The Partners all fall within the category of "senior management"; two of the Partners also fall within the category of risk-takers and also one in the category of control staff. To avoid duplication all Partners' remuneration is disclosed within the category of senior management. The total remuneration therefore paid to senior management is £26,387,125.

The information above relates to Fundsmith LLP as a whole, and we have not broken it down by reference to FEFS or the other funds that we manage. Nor have we shown the proportion of remuneration which relates to the income we earn from our management of FEFS. We have not provided such a breakdown because this does not reflect the way we work or the way we are organised at Fundsmith. All of the Partners and most of our employees are involved in the management of FEFS. We have not included information relating to remuneration paid by Fundsmith Investment Services Limited, to whom Fundsmith LLP delegates certain portfolio management activities.

APPENDIX I - REMUNERATION POLICY (unaudited) (continued)

Remuneration at Fundsmith LLP is deliberately straightforward. Our employees are paid a competitive salary. At the end of each financial year, our employees' performance is reviewed by the Partners in order to determine whether or not a bonus should be paid. All bonus decisions are agreed unanimously by the Partners.

The Partners are each paid a fixed proportion of Fundsmith LLP's net profits. We consider that this is the best way to ensure that our Partners' interests are completely aligned with our investors' interests over the long term. This alignment of interest is reinforced by the fact that Fundsmith Partners have invested a significant amount in FEFS.

The Management Committee of Fundsmith LLP has reviewed the Remuneration Policy and considers that it meets all regulatory requirements and is satisfied that no irregularities occurred during the period.

Any investor who would like more information on how we adhere to the Principles of the Remuneration Code may request a summary of our Remuneration Policy.
